To ensure time for discussion remember that as a rule of thumb, people tend to talk at about 100 words a minute, so a 20 minute paper (in a 30 minute slot) should equate to roughly 2,000 words, a 30 minute paper (in a 40 minute slot) to about 3,000 words and a 45 minute paper (in a 60 minute slot) to about 4,500 words.

Please let us know beforehand if you will be requiring a data projector with laptop or OHP.

Abstracts of the papers will be available in booklet form at the conference. If you are presenting a paper and have not yet given Tom Innes a copy of your abstract, please do so a.s.a.p.

Costs

There will be a small charge to cover the costs of the venue, plus morning and afternoon teas. The only other cost will be the dinner on Thursday evening, which is expected to be c. \$30.00. There are various cafes and coffee bars close by where lunches may be bought. Or people may choose to bring their own and find a quiet place to eat.

There is no annual subscription, but there is conference fee of \$20.00, payable at the conference.

Registration

Please register for the conference by e-mailing Ken Booth at knblbooth@xtra.co.nz.

Please indicate if you will be attending the dinner on the Monday evening.

November 30th is the deadline for registration.
