Notes

Arrangements for the dinner will be made available at the conference.

Presenters, please note your time allocation. To ensure time for discussion multiply the number of minutes in your time allocation by 90 and then subtract 900 from the result [i.e. $L = (m \times 90) - 900$, where L = length of script in words and m = total presentation time in minutes]. That should give you the desired word length of script for the time slot.

It is a fairly full programme. We hope you can plan to be there until the end. We hope also that the long lunch hours and the reception and evening dinner will give time for socialising and informal discussion.

Abstracts of the papers will be available at the conference.

Please feel free to pass copies of this information on at your discretion to others who may be interested.

Costs

The Cost is \$40 per person for the whole conference. This includes morning and afternoon teas and lunches on both days. Adjustments will be made for those who are not able to be there for all meals.

Please bring payment to the conference and pay Yael Klangwisan. Cash is preferable, but cheques made out to Good Shepherd College are acceptable.
